Hi model line

Hi model line

Hello, this is "it style"
explaining the
celebrity clothing!

We'll be focusing on the models on 'Model Awards' this week. This week,

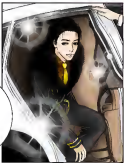

Ah, here's a limousine -

Which star might that be?

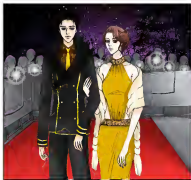

Yes, it's Jung
Nam Hoo.

He was selected
the model of the
year during the
ceremony.

There's Han Yi
Young next to him,
the one who made
him into a star.

They look like a
couple posing like
that.

They're also
singing to their
fans.

They are as
popular as any
other celebrities

They're taking
time to take a
pose on the
stairs

Personally, I hope
Hui Yi Young has a
comeback...

How should we
focus on their
clothes?

First Name: Yi
Young.

This is a designer
golden dress.

Even though it
cannot be seen
through the dress,
her shoes are
"Mimole Black".

The fur stole is
of her own
design.

The design of her
clothes shows a
her curve...

And because of
its color it's
really noticeable
on pictures

I desperately need information for this Manhwa, the name of the author/artist, if you have info on Baka updates plz e-mail me. We also need Korean translators on this, there only one person working on this atm, and the progress is really slow, i originally wanted to wait for Linguee and Sour and Sweet to be completed b4 we start on this, but I just thought i shd release chapter 1, chapter 2 is translated but till when I'll start typesetting that. Basically until we get enough Korean translators on this the releases are going to be extremely slow until Linguee and Sour & Sweet are complete Good news is that the clearing for the whole chapters are done, we just need translators! So plz e-mail if you're interested.

Chapter 1 was just a treat so enjoy!

Buchers ^_ ^

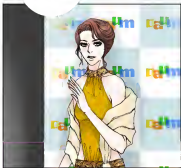

The shawl and the dress goes really well, as if it was designed to be worn that way.

And her heels are sparkling, but it's just an extra to the perfection.

Personally, I give 10/10 for her clothes.

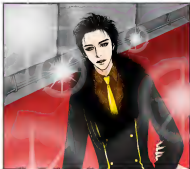

She participated as
one of this year's
award nominees...

But since it's a long
time since she had a
public appearance, a
lot of people are
excited.

I hope she
comes out
more often.

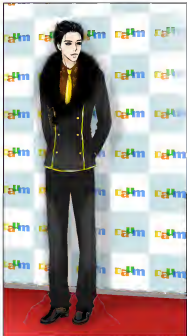

Next, is the best
model this year,
Jung Min Hee.

The winner of
the best model
of the year

During this award ceremony, most of the males just wore a suit and a tie.

But he wore something more extravagant...

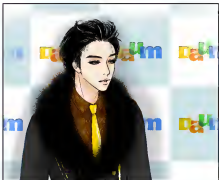

Everything he's
wearing is
designed by
him...

His shoes are
"dead ones"

It's hard for
men to look
good

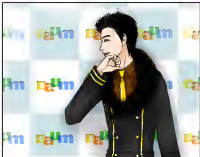

But he earns
points for trying
out new things

It's easily
mistaken as
distractive style.

but his hair and
accessories made
up for those
things.

The pants are
wrinkleless and the
length are just
perfect.

I don't know about
others, but you really
need the pants
designer made to suit
you if you want to
stand out...

And this all suits
with the classical
shoes of his.

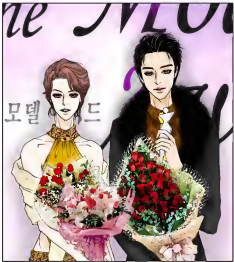

He gets
9.5/10

I don't really like
the color of his
jacket ...

That is Jung Nim
Hoo. For you.

...How is it?

But, unfortunately

*This is a bit far into
the future...*

MODEL

...Then, the
next question-

I heard that the
cooking program
was a bit
unique...

Is there a
special episode
or something?

Eh..

Episode???

AFTER THE LONG MILITARY TRAINING I WAS THINKING OF
WHAT I WANT TO DO WITH MY FUTURE,
WORKING IN A CAFE, HAVING BUSY LIFE.

Then, one day, some street casters came in
with some agency members...

Oh, you're right
the person I'm
looking for. Let's
make a contract!!

And one of them asked me if I wanted to become a model.

💋
~~Of course he was handsome~~

I ALWAYS HAD SOME INTEREST IN MODELING --(SAYING HE HAD
FASHION EVEN BEFORE MANGING),

BUT I WAS WORRIED THAT SHE MIGHT BE TRYING TO REP OFF
ME--(A BIT OF COLD TRUTH)

AND WHILE I WAS ON MY WAY TO THE AGENCY I THOUGHT,
IF IT TURNS OUT TO BE JUST A FRAUD, I'LL JUST RUN
AWAY... (SMILING TO HIMSELF COLD)

AFTER I WENT THERE, I FOUND OUT
THAT THE PERSON WHO PICKED ME
WAS THE CPO.

trust me if
you do, you
will not

I trust you!!

Oh~ wasn't the
story's like a
movie~!

mf
ot

how?~;

*Do you want to
become a model
quietly and obediently
or do you want me to
use violence on you?*

Then, what do you
want to do the
most as a model?

I don't want to be just a
standing junk of clothes but
want to show how clothes
can show emotions and
feelings, and hope.

Wow, you must
have been
thinking about it a
lot... That's really
cool...

Oh wow... it's
so obvious that
he memorized
a script --.

OMG... WHAT'S WRONG
WITH YOU JUNG NAM
HEE, IT'S SO OBVIOUS
THAT YOU'VE
MEMORIZED A SCRIPT
YOU'RE FACIAL
EXPRESSIONS YOUR
HESITATION AND
OMG...!!

*Then, how will it go without the
script...?*

Well?
I want to earn
a lot of money.

It's important
to prepare
for the
future.

Was it Swiss,
Silverton? I
heard that place
was really good...

Then, do you want
to say something
to your fans?

Uh... thank
you

But, why am I
famous?

I'm really
normal...

THANK YOU FOR
SUPPORTING ME. I'LL
CONTINUE TRYING MY
BEST FOR YOU GUYS.
THANKS.

HEY YOU CAN'T EVEN
REMEMBER THIS SIMPLE
LYRIC EVEN A DOG CAN DO
BETTER THAN YOU

DO YOU WANT TO
GO TO HELL
RIGHT NOW?

Everyone, thank
you for rehearsal
with this stupid
junk.

Please cancel the
interview that was
scheduled this
afternoon.

And please, stop with
the screen classes,
it's just money being
wasted. Gosh!

reporter:
Secretary
Kim

And no interviews
allowed if they
don't

From now on, the
model JUNG NAM
HEE will go on with

# MODEL

AT THE SAME TIME...

In short,  
TOP model's  
condition is-

Of course  
the root of a  
model is beauty,  
but there's one thing  
more important  
than beauty..!

And that  
thing is 'CHARISMA'.  
It's the aspect  
that will be the  
eye catcher in  
the audition!

BUT...

*St. McScary*

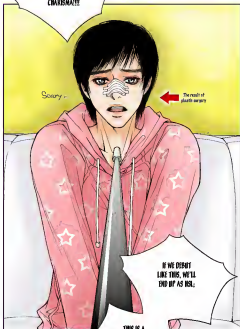

YOU DON'T  
EVEN HAVE THE  
THIRST BUT OF  
CHARISMA!!

*Scary -*

Soul

To change  
you into a TOP  
model right  
through to your  
very bones-

We will now  
enter the mode  
of HELL  
training.

“...HE WAS REALLY STUPID ABOUT MODEL -.-”

'BASIC POSTURE, FACIAL  
EXPRESSION, STYLE DIRECTION ...

...WAS ALL AN EMPTY  
SHEET OF COURSE.'

'THINKING THAT A  
'RUNWAY' WAS A TYPE  
OF HIGHWAY...  
SAYING HE THOUGHT 'HAUTE  
COUTURE' WAS THE NAME  
OF A CITY IN FRANCE...

HE PROVE ME MAP.'

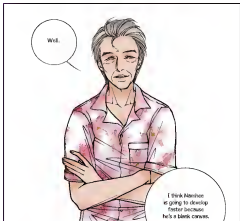

\*Runway = where the models walk in a fashion show

\*Haute couture = member : fashion

How am I  
going to make up  
for all those wrinkles  
I got because  
of that brat...

Well...

I think Namhee  
is going to develop  
faster because  
he's a blank canvas.

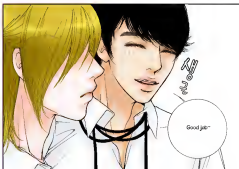

Look at  
all those kids  
fallen into their  
stupid style... It's  
much harder to  
mend them to  
teach.

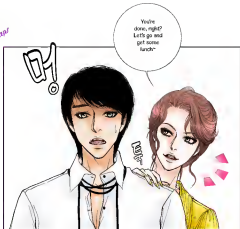

It may be  
hard to teach at  
the beginning, but  
it's kinda fun to  
teach kids like  
Numbuh...

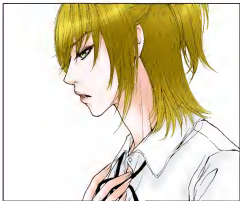

His attitude  
is a bit rough, but  
he wouldn't  
go that far.

You know  
that anyone you  
don't make friends  
with here will  
become your  
rival, right?

You'll be  
getting the  
chance to work  
with him,  
so watch him  
carefully.

Even though  
he's younger he IS  
your senior and  
there are lots of  
skills to learn  
from him, okay?

In our country, if

something like this  
is bound to  
happen.

Although it may hurt, just pretend that you are a piece of gum and let them chew you out.

After the flower is out, they will quickly find a new gum to chew.

...In any case, there are more positive feedback, so don't think it's the end of the world. Okay?

It seemed as if she was

But in truth...

**120** You guys know Jung Namhee that well? Why do you accuse an innocent person with these nonsense rumors? Jung Namhees isn't that kind of person, you know? I know him a bit, and he is a very nice person who works hard in everything he does. I would like to meet that coordinator. How dare you spread such rumor like that. And also Namhee dating \*\*\* is also a rumor. How can he eat with her when they haven't even met before. This is getting to be level of a nuclear bomb. Do you guys not have anything better to do in life? I guess that's the kind of idiots... I can't believe this.

And deceive

Is that all  
you can say? After so

You just

...Meaning I'd  
have to retreat  
no matter  
what

„Jeez, what a  
lame joke.“

**I'M NOT JOKING!!!**

You call this a  
look of a  
woman?

How you  
looked in a  
mirror?

Don't touch my

What have you  
done to your  
face!!!

Tada~

*After that, throughout a couple  
of days*

Ah  
Ok

I remember!  
Why you are  
acting this  
way...

S  
M  
A  
P

The same  
thing  
happened 10  
years ago!

...I see.

I know it,  
that guy..

Lately the way  
he's been looking  
at you seemed  
strange..

So-

What are you  
gonna do now?

Naamhe is-

Too innocent... enough  
that people can't  
believe how old he  
really is.

Like a blank  
page...

He's not  
talented with  
anything.

He hardly has  
any experience  
in love...

And lived a plain  
and easy life  
without any ups  
and downs.

That might make  
him a  
charismatic  
person...

But as a model,  
that is a fatal  
weakness.

Look here.  
..This is the latest  
photo shoot of  
Nanhee.

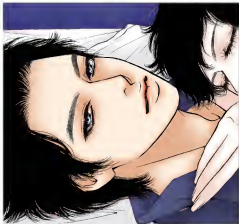

...Something is  
different, right?

Even though he  
is in such pose  
with a female  
nodd,

He doesn't show  
any sign of tension  
or discomfort.

A man who falls  
in love..

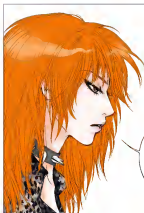

Begins to change,  
starting from his  
glare

...He might be  
hurt and in  
despair because  
of me,

But they all will  
become a precious  
experience for  
Nanhee.

My job is to keep him  
in balance so that he  
doesn't stray too  
far...

And... To not fall  
for him.

That's all.

Somehow it's...

a bit cruel.

8916.com

I can't help it.

That is my job.

In order to  
receive  
marvelous wings.

SAVOIR

He has to endure  
at least this  
much of pain.

If needed, I can  
be worse than  
this.

Make Phoenix  
cry and go to  
hell...

If I can make  
Natsu the best of  
the best...

I'll even become  
the devil.

*Ever now she is enough of a devil...*
